# Memo

To: Stephen L. Martino, Executive Director, KRGC  
From: Charles LaBoy, Director of Audit and Electronic Security, KRGC  
Date: June 1, 2009  
Re: Compliance Audit of Kansas Horsemen's Association

---

We have performed a compliance audit of the Kansas Horsemen's Association ("KHA") operations for the year ended December 31, 2008. This compliance audit is substantially less in scope than an audit of financial statements in accordance with Statement on Auditing Standards as promulgated by the Auditing Standards Board of the AICPA. KRGC is not independent with respect to the KHA.

The KHA continues to serve under a previous contract with the KRGC as the official horse registering and distribution agency for Kansas, in accordance with K.S.A. 74-8830.

We have attached the Balance Sheet of the KHA at December 31, 2008 and the related Profit & Loss Statement for the KHA for the year ended December 31, 2008.

## Balance Sheet

The Balance Sheet reflects a decrease in cash and equity during the year ended December 31, 2008. The cause for the decrease in cash and equity results principally from the net loss for the year.

Office equipment with acquisition costs of \$2,494 is fully depreciated.

Liabilities shown relate to payroll taxes payable by the Association at the end of 2008.

## Profit & Loss Statement

The KHA had a net loss in 2008 of \$9,101. In 2007, the Association had net income of \$10,287.

## Registry Activity

	<b>2008</b>	<b>2007</b>	<b>% Change</b>
Kansas Domiciled Mare Registrations	4,000.00	3,850.00	3.90%
Kansas Domiciled Stallion Registrations	750.00	300.00	150.00%
Mare Certifications	4,130.00	3,255.00	26.88%
Stallion Certifications	1,500.00	700.00	114.29%
Two Year Old and Up Registrations	500.00	6,500.00	-92.31%
Weanling Registrations	9,200.00	9,500.00	-3.16%
Yearling Registrations	750.00	5,500.00	-86.36%
	<u>20,830.00</u>	<u>29,605.00</u>	<u>-29.64%</u>

## Findings

We noted a significant lack of segregation of duties because the Association's administrator was the only employee of KHA during 2008, and, consequently, she performed virtually all the recordkeeping and reconciliation processes that underlie the financial and other data we audited. This is typical in an organization of this size and is usually mitigated by oversight performed by others in a position to review her work. Some review is performed and adjustments made during the annual tax preparation but daily work is typically not reviewed.

As of May 15, 2009, the Association's administrator is no longer a salaried employee; however, the administrator continues to provide similar services on a voluntary basis. This change will allow the Association to continue to serve as the official registering agency for the duration of 2009 as the Associations revenues continue to decline.

We noted no issues of non-compliance by the KHA with the rules and regulations of the KRGC.

Topeka, KS 66603-3754

Dear Charles:

At the request of several K.T.A. members, last week I asked Joyce Billings, executive director of K.H.A., to call and poll all the K.H.A. board members and ask them their position on the use of any possible left over thoroughbred Kansas Bred Purse Supplement Money from the 2009 Eureka Downs and Anthony Downs race meets. It was unanimous that we request that any thoroughbred Kansas Bred Purse Supplement Money left over after those two 2009 meets be paid out in the form of thoroughbred mare and stallion awards for 2009.

Your reply will be appreciated.

Sincerely,

Dwight Daniels, President  
Kansas Horsemen's Association

Dear Charles:

Sorry we took so long to respond. I will be contacting Dan Bird to work out possible resolution to what KQHRA sees as inequities in the Condition Book and race format and purses. I believe we will be able to work around this. We look forward to seeing you at Eureka on Saturday June 13, and further addressing the issues and possible remedies.

Commissioners:

This is a response to the 2009 Condition Book for Anthony Downs. Today I spoke with Dan Bird of Anthony Downs. He indicated that they will only be able to run 6 races on Friday evenings because of darkness. His goal is to run 7 or 8 races each Saturday and Sunday. This would mean that Anthony will most likely run 44 horse races during the 6 day meet. However, the Condition Book shows 10 races in the body of the condition book for each day of racing, plus several "sub" races each day. The total money offered for the 60 races comes to \$657,500. Money allotted to the QH races is \$210,000 (31.94%) and for Thoroughbreds \$447,500 (68.06). The problem with this is that 60 races are not going to run. Only 44 races will be used. In the Condition Book are a total of 9 Stakes races for \$215,000 for Thoroughbreds and 2 stakes races for \$40,000 for Quarter Horses. The large purses will obviously attract a great number of entries and these races will be used in the live racing program. The result is that Quarter Horses will be underpaid about \$50,000 and only if QH's fill every race written for them in the body of the book. QH's would need to fill and Anthony would need to use 23 QH races or nearly 4 QH races each day. If QH's are only given 30% of the races in the Book, two of which are for \$20,000 each, that leaves 11 additional races at \$8,000 each. That means 13 QH races with purses of only \$128,000 (24.7%). The Thoroughbred purses will be \$215,000 in 9 stakes, and 22 overnight races at \$8,000 each. That means 31 Thoroughbred races with purses of \$391,000 (75.3%). This is not even close to 30% of the money for QH's. The imbalance is a direct cause of the numerous stakes races for TB's. The large purses will fill and will run. QH purses need to be adjusted upward by \$50,000 to get the gross purses closer to the 30% minimum.

In the Eureka Downs Condition Book only 7 races were written in the body of the book per race day. This is the amount of races actually used per race day. The Anthony Book shows 10 races per day, even though they will only average 7.33 races per day. In order for the number of races offered and the purses available in those offerings to be somewhat near 30% there will need to be an adjustment in the purse structure for QH's as well as possibly adding some additional feature races.

The 2009 Anthony Condition Book has already been sent. The horses have left the corral and it is too late to close the gate. We (KQHRA and Quarter Horsemen) will need to work with Dan Bird, Anthony Downs, and the Racing Secretary to make sure the proper number of races and purse levels are achieved.

Sincerely,

Robert Rodgers
